The conservation and preservation of forts is an important aspect of cultural heritage preservation, and colleges can play an important role in promoting best practices in this area. Our College establish regular year schedules for cleaning, Tree Plantation, and maintenance of fort. As a college initiative of conservation and preservation of forts college decide to select “Bahadurgad” .

This fort has great importance in the Maratha Empire but government and resident people were unable to conserve and maintain it properly. Taking this as initiative from the Shrigonda taluka its was our lonely college to make awareness of fort in the people and conserve it. As Chatrapati Sambhaji Maharaj was a divine power for all the people. History say that he was prisoned at this fort. As it was college initiative students were also aware of the fort conservation. So the Campaign has started from 2017-18.
